Dear Senator Winfield, Representative Stafstrom, Senator Kissel, Representative Fishbein,

Sb16 is a horrible bill targeting legal gun owners, just like Ned Lamont said, there are too many legal guns here in Connecticut. This bill should not pass. Stop your legislative assault on the most law-abiding citizens of our state. Just in case no one told you, it's illegal for; minors to carry guns, carrying a firearm without a permit, committing a crime with a firearm, murder, attempted murder. Address the problem with our juvenile justice system.

Stop the assault on my rights,

SOUTHINGTON, CT
