Raised S.B. No. 1096
An act concerning fingerprint methods used by DMV

Chairman Senator DeFronzo & Representative Guerro:

I am appearing before you today regarding raised S.B. No. 1096, an act concerning fingerprint methods used by DMV.

In times when CT is losing jobs, bus operators are hiring drivers as fast as they can—only to tell applicants that it will take eight weeks before their record can be reviewed to see if they have any criminal background activity—EIGHT WEEKS— it is a long time.

If a driver gets pulled over for a violation and has warrant, he/she will be put in jail on the SPOT.

Support this Bill-----We need drivers.

Thank you for the opportunity to appear before you on this matter. I will be happy to respond to any questions that you might have.
