64 defined in section 19a-490a, not-for-profit outpatient clinics licensed in
65 accordance with the provisions of chapter 368v and federally qualified

66 health centers;

67 (13) A program licensed or funded by the Department of Children
68 and Families, provided such program is not a psychiatric residential
69 treatment facility;

70 (14) Any nonprofit facility, institution or provider that has a contract
71 with, or is certified or licensed to provide a service for, a state agency
72 or department for a service that would otherwise require a certificate
73 of need. The provisions of this subdivision shall not apply to a short-
74 term acute care general hospital or children's hospital, or a hospital or
75 other facility or institution operated by the state that provides services
76 that are eligible for reimbursement under Title XVIII or XIX of the
77 federal Social Security Act, 42 USC 301, as amended;

78 (15) A health care facility operated by a nonprofit educational
79 institution exclusively for students, faculty and staff of such institution

86 intellectual disability licensed pursuant to section 17a-227 and certified
87 to participate in the Title XIX Medicaid program as an intermediate
88 care facility for the mentally retarded;

89 (18) Replacement of existing imaging equipment if such equipment
90 was acquired through certificate of need approval or a certificate of
91 need determination, provided a health care facility, provider,
92 physician or person notifies the office of the date on which the
93 equipment is replaced and the disposition of the replaced equipment;

94 (19) Acquisition of cone-beam dental imaging equipment that is to
95 be used exclusively by a dentist licensed pursuant to chapter 379;

96 [(20) The termination of inpatient or outpatient services offered by a
97 hospital, except as provided in subdivision (4) of subsection (a) of this
98 section and section 19a-639e;]

99 [(21)] (20) The partial or total elimination of services provided by an
100 outpatient surgical facility, as defined in section 19a-493b, except as
101 provided in subdivision (6) of subsection (a) of this section and section
102 19a-639e;

103 [(22)] (21) The termination of services for which the Department of
104 Public Health has requested the facility to relinquish its license; or

105 [(23)] (22) Acquisition of any equipment by any person that is to be
106 used exclusively for scientific research that is not conducted on
107 humans."

108 After the last section, add the following and renumber sections and
109 internal references accordingly:

110 "Sec. 501. Subsection (c) of section 19a-634 of the general statutes is
111 repealed and the following is substituted in lieu thereof (*Effective from*
112 *passage*):

113 (c) For purposes of conducting the state-wide health care facility
114 utilization study and preparing the state-wide health care facilities and
115 services plan, the office shall establish and maintain an inventory of all
116 health care facilities, the equipment identified in subdivisions [(8)] (9)
117 and [(9)] (10) of subsection (a) of section 19a-638, as amended by this
118 act, and services in the state, including health care facilities that are
119 exempt from certificate of need requirements under subsection (b) of
120 section 19a-638, as amended by this act. The office shall develop an
121 inventory questionnaire to obtain the following information: (1) The
122 name and location of the facility; (2) the type of facility; (3) the hours of
123 operation; (4) the type of services provided at that location; and (5) the
124 total number of clients, treatments, patient visits, procedures
125 performed or scans performed in a calendar year. The inventory shall
126 be completed biennially by health care facilities and providers and

127 such health care facilities and providers shall not be required to
128 provide patient specific or financial data."
