Testimony on H.J. No. 8 Resolution Proposing An Amendment To The State Constitution Limiting The Use Of Moneys Contained In The Special Transportation Fund.

Dear Chairmen Maynard and Guerrero, Ranking Members Boucher and O'Dea, and distinguished members of the Transportation Committee:

Thank you for holding a public hearing today on HJ No 8, which begins the process of protecting revenue collected for the Special Transportation Fund to prevent such funds to be used for non-transportation purposes. The amendment to the State Constitution should not be necessary, however the time has come to protect the STF from being raided further.

The passage of this resolution will provide an opportunity for residents to vote on protecting the STF and the use of the funds for only transportation purposes that benefits all residents.

Thank you for your consideration.

Respectfully yours,

Cecilia Buck-Taylor
