## ***OFA Fiscal Note***

### ***See Fiscal Note Details***

The amendment allows children 32 to 36 months of age to be three years of age for purposes of enrolling in a preschool program under certain conditions. This may result in a cost shift between infant/toddler and preschool program costs but is not anticipated to result in a net fiscal impact to the state or municipalities.

The amendment makes other changes that are technical and conforming in nature and have no fiscal impact.
