

Dear Members of the Insurance and Real Estate Committee.

I am writing to express my strong support of the Connecticut Plan listed in Senate Bill 346: An Act Concerning Public Options for Health Care in CT. We must expand health care to all citizens in Ct. and we must do it in a cost effective manner. This bill takes a great step forward in doing just that. Please approve this measure to ensure the well-being of the citizens of our State.

Sincerely,

Christina Fagerstal
