Testimony in support of S.B. 346 CONCERNING PUBLIC OPTIONS FOR HEALTH CARE IN CONNECTICUT

To the Chairs, Vice Chairs and Ranking Members of the Insurance and Real Estate Committee, thank you for the opportunity to testify in support of Senate Bill 346 concerning public options for health care in Connecticut.

All of us can see that we have issues with health care access and cost in Connecticut. Expanding existing programs and coverage is one essential step we can take towards alleviating the burden this expense puts on our community. Improvements to the wellbeing and medical treatment of our residents will have economic, social and emotional impacts on all of us living here.

Thank you for your time in considering this valuable legislation, I am happy to address any questions and discuss this topic further.

Sincerely,
