MUSIC HAVEN

To the Appropriations Committee:

I am writing to request the reinstatement of funding for Music Haven in the budget for the Department of Economic and Community Development. As a resident of New Haven I take great pride in the important work that they are doing. As the leader of a fellow arts education organization in New Haven, I see first-hand the impact that their work provides for our community and the children of New Haven. Music Haven is an important organization whose work goes beyond the world of artistic instruction. Music Haven has become a home to the families they serve.

Please keep funding this important organization.

Thank you for your consideration,
