Re: Music Haven funding, HB 5005

Please restore funding for Music Haven. It is the only organization that invests in the lives of Children and families that live in the Promise Zones of New Haven. Music Haven's outcomes are amazing. They foster a wholesome, safe environment for children to thrive. If you must cut money to the arts please shave a small part from all the other organizations to restore funding for this organization.

I am a donor and supporter of this organization.

Sincerely,

/Lynne Bonnett/
