

Bill No. 5005

Hello, my name is Shanell Patterson, I am from the City of New Haven and I am writing to ask you to keep Music Haven funding in the budget. I am a student at Music Haven for 4 years now and I love it here we are a family. I love learning how to play the cello and practicing new songs. Keeping the funding would allow other kids like me to have a chance to be great. I was not great at school before starting Music Haven, learning the cello has helped me get A's and B's in Math and Reading. I want this program to help other kids too. Please keep Music Haven's funding Bill 5005.

Sincerely,

Shanell Patterson
