

Dear Chair Cohen and Chair Gresko, Vice Chair Slap and Vice Chair Palm, Ranking Members Miner and Harding, and distinguished members of the Environment Committee

My name is August Coretto, and I am a Windsor resident and young professional working with Collins Aerospace. I am writing to express my support for **HB-6551: AN ACT CONCERNING ENVIRONMENTAL AIR QUALITY**. I agree that it is vitally important to address climate change with an intersectional and equitable lens and I believe that the Environmental Equity Working Group is a great step in this direction.

Thank you,

August Coretto
