State Impact: None

Municipal Impact:

Municipalities	Effect	FY 22 \$	FY 23 \$
West Haven	Cost	Minimal	None

Explanation

The bill allows for the establishment of a special taxing district in West Haven. There is a minimal, one-time cost to the City of West Haven associated with holding any public meetings or referenda, and with publishing associated public notices necessary to establish the district.

The bill allows the district to issue revenue bonds to support its duties. This has no impact to the city or the state, as the language specifies that such revenue bonds are not the responsibility of the City of West Haven or the State of Connecticut.

Depending on the extent of services provided by the district, there could be a savings to West Haven as the costs of providing public services shifts from the City to the District.

House "A" and Senate "A" make minor procedural changes to the actions the special taxing district established in the underlying bill
