***State Impact:*** None

***Municipal Impact:*** None

### ***Explanation***

The bill requires the Department of Energy and Environmental Protection (DEEP) and the Office of Policy and Management (OPM) to jointly conduct a study of access by the public to beaches and parks adjacent to waters owned by any municipality. The study must examine ordinances limiting beach access and fees that disproportionately impact visitors based on residency.

This has no fiscal impact as both DEEP and OPM have the expertise to perform the study.
