Note: GF=General Fund

Municipal Impact: None

Explanation

The bill creates new infractions related to ice cream trucks, including improperly equipping, operating, approaching or overtaking an ice cream truck as described in the bill. The bill makes certain infractions, which are not crimes, subject to up to a \$500 fine for subsequent offenses. To the extent that offenders are fined, the bill results in potential minimal revenue gain.

The bill also requires the Department of Motor Vehicles (DMV) to post on its website information about the bill's requirements. There is no fiscal impact to DMV because this can be incorporated into the department's current operations.

Senate "A" eliminates the bill and its associated impact and results in the impact described above.

Senate "B" allows a local traffic authority to provide limited

exemptions to the original bill's requirements and results in the impact described above.

The Out Years

The annualized ongoing fiscal impact identified above would continue into the future subject to the number of violations.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
