### ***Explanation***

The bill makes several changes concerning services for seniors which have no fiscal impact.

This has no fiscal impact as the bill does not require a municipality to incur any cost in establishing a multipurpose senior center.

The bill establishes a working group to develop a coordinated plan for municipal senior services. This has no fiscal impact as PA 17-236 prohibits transportation allowances.

The bill expands the Judicial Department Court Support Services Division's (CSSD) Community Response Education Program to include senior citizen sexual assault and abuse prevention and education. This has no fiscal impact it is anticipated that CSSD will be able to include this group without additional resources.
