Explanation

The bill authorizes public contracting agencies to allow bidders up to two business days after a bid opening to submit their prequalification certificate and an update bid statement. Current law disqualifies a bid if the update bid statement or applicable prequalification certificate is missing.

This bill may result in a savings to the state as it should increase the number of bids the state receives.

House "A" strikes the original bill and its associated fiscal impact, thus becoming the bill with the above referenced fiscal impact.
