

Hello,

I am a resident of Wallingford and I am writing to express my support of HJ 58 to amend the CT constitution to allow for no excuse absentee voting and HJ 59 to amend the CT constitution to allow for early voting.

Without these options, the right to vote in Connecticut is not universal and that is unconscionable. To continue to allow voting to be difficult is a failure in the duty of our public servants. It is far past time to ensure the right to vote in this state.

Thank you
