

Testimony In Support of HJ-58 and HJ-59

Dear Senator Flexer, Representative Fox, and distinguished members of the GAE Committee:

My name is Richard Boritz, a resident of Southbury, CT, and I write in support of HJ-58, No Excuse Absentee Voting, and HJ-59 Early Voting. Do you know that during the November 2020 election, more than 40% of Southbury voters cast absentee ballots? Southbury is the home of Heritage Village a community of about 4,000 mature adults with an average age close to 80 years old. Casting absentee ballots allowed these folks to do so safely and easily. It was also efficiently done. Our town's Registrar of Voters was able to count all of the absentee ballots by the next day without any security concerns.

Please vote to send these resolutions to the House and Senate for their consideration.

Richard Boritz
