

Member of the CGA:

I OPPOSE HJ58

Our current system and menu of allowances for absentee voting has worked well in CT. Leave it alone, it only opens the door for fraud.

I OPPOSE HJ 59

I oppose early voting. The existing system has served CT well. We do not need to compromise if with softer processes.

I OPPOSE SB 901 and HB 6464

There is no rationale for extending the allowances made for Covid.
