

I support making voting more accessible in Connecticut. I voted by absentee for the first time in my life for the November 2019 elections, and it was a daunting experience. I have voted in every local, state and national election in CT for more than 30 years and I feel the process needs to be much more accessible. I have serious health issues and even so, the current laws re: absentee ballots do not qualify me to vote by absentee ballot. I hope you will support SB5, HR58 & HR 59 to make voting much easier for all of us to do our civic duty and vote. Thank you.
