Support for HJ 58

I am writing in support of allowing all eligible voters in CT to choose to vote by absentee ballot. Absentee ballots have had a long, tested history. If it works for the military, it'll work for the rest of us. More options for voting, means more voting. It is the democratic way.

H.J. No. 58:

RESOLUTION PROPOSING A STATE CONSTITUTIONAL AMENDMENT TO ALLOW NO-EXCUSE ABSENTEE VOTING.

Thank you,
