

My name is Christina Fagerstal, and I am a resident of New Canaan CT.

Our family voted absentee during the pandemic last year which helped to keep us safe during this health crisis. Because Covid-19 is ongoing, I am strongly in support of extending voter protections through S.B. 901 and H.B. 6464.

The State of CT. is one of only 16 States that does not allow for no excuse absentee ballots or early voting. We must extend these rights to our citizens to increase voter participation in our State by making it easier to vote. Therefore, I support bills H.J. 58 and H. J. 59 and urge their approval by the legislature. Many thanks for your consideration.

Sincerely,

Christina Fagerstal
