

I would like to express support in FAVOR of passing:

H.J. No. 58 (Comm) Resolution Proposing a State Constitutional Amendment to Allow No-Excuse Absentee Voting.

H.J. No. 59 (Comm) Resolution Approving an Amendment to the State Constitution to Allow for Early Voting.

Every citizen who keeps up with what's going on in the country, and wants to cast a ballot, should have the opportunity to do so.

Being able to send absentee ballots or vote early would allow busy people to vote at their convenience and we would hear from more voters, and not just during a pandemic. It's only fair. I'm talking about people juggling children and work, self-employed who don't get paid for taking a few hours off to go vote, people with disabilities and the elderly, people who woke up with a sudden illness on Election Day...

For too long voting has been a privilege of those who have transportation and time to go stand in line. This is not everyone. And if our elected officials are to represent everyone, they should, in fact, represent every citizen who wishes to vote.
