To Whom It May Concern:

Regarding H.J. No. 58, H.J. No. 59, S.B. No. 901, and H.B. No. 6464, I would like to submit this testimony:

I support the resolutions to allow early voting and expand absentee voting. Connecticut needs to do more to modernize our elections. For many of our citizens who would otherwise not have the ability to get to the polls, absentee and early voting will allow their votes to be counted.

Thank you,
