Senator Flexer, Representative Fox, ranking members Sampson and Mastrofrancesco and distinguished Members of the Government Administration and Elections Committee:

I am writing to you in support of HJ58 and HJ59, the resolutions proposing constitutional amendments to allow no-excuse absentee and early voting in Connecticut.

As a working mother, I find the barriers to voting, only during limited hours on a single day, to be prohibitive and result in disenfranchisement of many of our state's voters. Voting should be made as easy and accessible to all eligible voters as possible. I was grateful to be able to vote securely and conveniently in 2020. It is high time that Connecticut joins the rest of the nation in expanded access to voting.

Thank you for moving forward these essential voting reforms and strengthening our democracy.

Sincerely,
Diane Goldberg-Honig, Harwinton CT
