

Subject line: Testimony for 2/22/21 public hearing in SUPPORT of bill HJ 58 for Absentee Voting and HJ 59 for Early Voting.

I support HJ58 and HJ59 bills. In 2018 I voted by absentee ballot because I worked the polls, and in 2020 I voted early by absentee ballot dropping it in the ballot box at my town hall. I found that it took much stress out of voting. Also, it is my understanding that voter turnout improved. Other states have had early voting by mail implemented for years. It is safe, it is secure, and it is efficient.
