

I am absolutely opposed to changing the State Constitution to allow "no excuse" absentee voting.

Also, I am opposed to permitting early voting.

People ALWAYS find a way to do something that is important. People have 14 hours on Election Day to get to the polls and make their voices heard. If they will be out of town or have another good excuse, they can get an absentee ballot. I have done that successfully several times.

Do not change the statutes regarding voting.

Thank you,
