Senator Flexor, Representative Fox, Ranking members Sampson and Mastrofrancesco and distinguished Members of the Government Administration and Elections Committee.

I am writing to express my support of HJ58 and HJ59, the proposed resolutions/amendments to the Connecticut Constitution. This will allow no-excuse absentee and early voting in our state. This year we were able to vote by absentee due to COVID-19. I was able to work a full day and not worry about parking, lines and contracting an illness at the polls. I just requested my ballot and dropped it off at the box in front of town hall.

Because we do not know what the future holds in regards to virus outbreaks or weather disasters, it makes it even more urgent to be able to vote easily. We are way behind most states in the USA in assisting people to express their voices and views by their votes.

Thank you.
