

Dear Senator Flexer, Representative Fox, ranking members Sampson and Mastrofrancesco and distinguished Members of the Government Administration and Elections Committee:

The lack of no-excuse absentee voting and early voting in Connecticut is an embarrassment. Don't you think Connecticut can do better than Mississippi, Missouri and South Carolina in making it easier for all citizens to vote? Please support HJ58 and HJ59 so that we can bring Connecticut's Constitution into the modern era.

I'd also like to urge you to support the Ranked Choice Voting study bill (HB-5884), which simply studies a possible way to make voting more meaningful for voters and ensure that elected officials enter office with a majority mandate.

Best,  
Caleb
