

**GOVERNMENT ADMINISTRATION AND ELECTIONS COMMITTEE
Public Hearing**

Testimony on February 22, 2021

HR 59 & HR 58

Senator Flexer, Representative Fox and Members of the GAE Committee

My name is Sue W. Larsen and I am the President of ROVAC and also the Registrar of Voters in South Windsor. I am here to speak on HR58 and HR 59.

Both resolutions are major changes to the electoral process that we now participate in and we're sure there will be much discussion about this policy. Our viewpoint is, regardless of the decision whether or not to move forward with these policy decisions, that if it is to be voted on by this body and the general electorate that it is implemented correctly to ensure the integrity of the process. Registrars of Voters are CT's election officials, with a vast set of expertise and we ask to be included in any discussions on how to accomplish a fair, transparent and accessible voting system.

Thank you for allowing me to testify.
