

Testimony for 2/22/21 public hearing in SUPPORT of Bill HJ-58 for Expanded Access to Absentee Ballots and HJ-59 for Early Voting.

I am in support of expanded access to Absentee Voting and Early Voting.

I relocated to Connecticut from Washington State almost two years ago. For years, I experienced only positives with Absentee Voting in Washington State. It was proven successful in Connecticut during the Pandemic.

Absentee Voting allows everyone to Vote. It is equitable. Absentee Balloting allows voters time to study issues and candidates allowing for well informed voters.

Expanded Access Voting takes away obstacles to voting for everyone

These are important progressive change that will strengthen our Connecticut community, and demonstrate leadership for a vibrant Democracy in our Nation.
