Dear Members of the Government Administration and Elections Committee,

My name is Phyllis Nauts. I feel strongly about these bills because, as an 86 year old with Chronic Obstructive Pulmonary Disease, I was very reluctant to vote in person because of the risk. I voted absentee because I had to!

I urge you to support the above bills because of the many older, infirm residents of our state for whom voting in person presents a real difficulty. Passage of these bills will allow te to vote safely and easily.

Thank you for your attention to this pressing matter.

Phyllis Nauts
