

I was very glad to be able to vote by mail this year and hope that CT will make No excuse vote by mail and early voting a law. I also volunteered in the Stamford Town Clerk's office to send out applications for ballots. I was very impressed with the attention to detail that went into every step of this process. I only wished I could have done more.

I sincerely hope that Connecticut will join the ranks of so many other states that already allow No Excuse Early Voting and Vote by Mail.
