Subject: Early Voting and No Excuse Absentee Voting

I am writing to request the State of Connecticut to vote "yes" to expand Early Voting (HJ 59) and No Excuse Absentee Voting (HJ 58.)

I believe that improved access for all eligible voters expands and improves our Democracy. I have reviewed this issue and strongly believe this can be accomplished safely.

Please expand our voting system to allow more of our fellow citizens to have their votes counted.

Sincerely,
Karen Philipson
