

For the record, my wife and I are residents of Lyme, Connecticut ZIP Code 06371-3409 and we both are registered voters.

We write in support of [Early Voting \(HJ 59\)](#) and [No Excuse Absentee Voting \(HJ 58.\)](#)

We believe that Democracy thrives and remains healthy when as many as possible qualified and eligible voters have a chance to vote (easily) and make sure their votes are properly counted. We also believe that everyone who is a qualified resident adult should be automatically registered to vote by whatever reliable and accurate means possible. That means automatic registration based on drivers' licenses and automobile registrations. There are additional registration options available and they should be seriously evaluated and considered.

Thank you for considering this message in support of [Early Voting \(HJ 59\)](#) and [No Excuse Absentee Voting \(HJ 58.\)](#).

Sincerely,

Christopher D. Roosevelt and Rosalind H. Roosevelt
