

Dear Members of the Government Administration and Elections Committee:

I am writing in favor of HJ 58 and HJ 59, the resolutions proposing constitutional amendments to allow no-excuse absentee and early voting in Connecticut. HJ 58 and HJ 59 would be good for our democracy by expanding voter options and, thereby, increasing voter participation in our elections. My understanding is that the vast majority of Connecticut voters are in support of these enhancements to our most precious right to make our voices heard through our vote. The Constitution State should move forward with uplifting voting rights and access by passing HJ 58 and HJ 59.

Thank you,

Ellen Rosenthal
