

I support HJ 58, to amend the CT constitution to allow no-excuse absentee voting and HJ 59 to amend the CT constitution to allow early voting. I voted absentee in 2020 due to the COVID-19 pandemic and it was so easy and felt much safer. It was fantastic being able to submit my ballot early and track it to make sure it was received. I loved it so much that I volunteered to count absentee ballots in Glastonbury, and I will gladly do it again if I can support this process and make it easier for everyone to vote. Absentee and early voting is what allowed the United States to have a record turnout last year, and I fully support no-excuse absentee and early voting.

Thank you for your consideration.

Sincerely,
Jessie Scott
