

To whom it may concern,

I'm writing in opposition to bills H.J. No.58, H.J. No.59, S.B. No. 901 and H.B. No. 6464.

It's very clear that early and mail in voting causes mistrust and inaccuracies in the results. These bills are not to the benefit of the people of Connecticut.

I agree it's everyone's right to vote but it's also their responsibility to show up to their voting site and be verified. Only the most extreme of circumstances should be allowed for early or mail in voting.

Please do not pass these bills.
