

Dear Legislators.

My name is Alan Zinser. I live in Woodbury, CT 06798.

In November 2020, Connecticut's voter participation rate increased to almost 80% despite a deadly pandemic thanks to expansion of absentee voting. Making voting easier and safer is important to strengthen conditions of democratic engagement in our towns, our state and our country.

I urge you to support House Joint Resolution No. 58 to permit No-Excuse Absentee voting.

I urge you to support House Joint Resolution No. 59 to permit Early Voting.
