

Thank you for the opportunity to provide this quick email to register my opposition, as Executive Director of Connecticut Legal Rights Project, Inc., a statewide nonprofit, to the requirements of this bill. Certainly, upon request, CLRP will provide its registration number, but I do not believe that requiring us to display that particular number on all printed advertisements or when engaging in solicitation will add anything in terms of transparency.

People can find out information about CLRP from our website, where we post our annual reports and our Form 990's. I do not recall an instance in which we have ever been requested to provide that number by a member of the general public (as opposed to a foundation to whom we are applying for a grant) in the 5+ years I have served as CLRP's Executive Director.

Thanks,

Kathy
