S.B. 269, An Act Concerning the Availability of Generic Pharmaceuticals

Thank you for the opportunity to provide written testimony on behalf of the Judicial Branch regarding **S.B. 269, *An Act Concerning the Availability of Generic Pharmaceuticals***.

We would like to suggest two technical changes to the bill as drafted. First, it would be helpful for the venue for these actions to be identified. Additionally, the bill should define when the cause of action accrues for purposes of the statute of limitations.

Thank you for your time and attention to this matter.
