TESTIMONY TO STRONGLY OPPOSE HB. 5685

Honorable Members of Housing Committee,

My name is Bo Yang, an active voter and a resident at Fairfield CT. I am writing this letter to strongly oppose HB 5685 "AN ACT CONCERNING RENT CONTROL". ***Market is the best rent control. Landlord does not need state bureaucracy to set rent.***

I wish we do not spend time, effort and money to control rent. Rent is a contract between landlord and tenant. Government should have no business in between.

Best regards,

Bo Yang, Ph.D.
