

Honorable Housing Committee,

I am writing to oppose the bill 6531: An act concerning the right to counsel in eviction proceedings. I believe the proposed process wastes the tax payer's money. When we rent something, everybody knows that we have to pay according to the agreement. Instead of spending money on teaching the tenant's right and hiring lawyers, why not we directly help the tenants by paying landlord the rent that the tenants owe. The government should not put the burden on the landlord. Therefore, I respectfully ask you to please vote NO to the bill No. 6531.

Best Regards,

Helen Tu
