**SB 1044 AN ACT ESTABLISHING A TASK FORCE TO STUDY INSURANCE AND HEALTH CARE IN THIS STATE**

Respectfully, the Connecticut Association of Health Plans would like to flag SB 1044 for future input from the health insurance industry. As currently drafted, the bill establishes a task force to study the Insurance Department. But, given the potential for study bills to be further amended with substantive language we would like to request for the record an opportunity for continued dialogue should such a situation arise.

Many thanks for your consideration.
