SPONSORS OF BILL:

General Law

REASONS FOR BILL:

Because of current regulations that forbid the use of alcoholic self-pour service, this bill will allow facilities with alcoholic permits to be able to serve their facilities' beer, cider, and other alcoholic drinks 6% and under via a self-pour automated machine.

RESPONSE FROM ADMINISTRATION/AGENCY:

none

NATURE AND SOURCES OF SUPPORT:

ChilliProof submitted testimony supporting the bill. This bill is pro jobs and pro local investment. Forty six other states allow self-pour technology. The consumer may be controlling the pour they still have staff members available for over-pour monitoring and checking on consumption. Self-pour benefits by bolstering our state's economic competitiveness, empowers and protects consumers and invests in our communities and their future.

NATURE AND SOURCES OF OPPOSITION:

none
