AN ACT PROHIBITING CERTAIN HEALTH CARRIERS AND PHARMACY BENEFITS MANAGERS FROM EMPLOYING COPAY ACCUMULATOR PROGRAMS

SUMMARY: This act requires certain health carriers and pharmacy benefits managers, when calculating a covered individual's cost sharing liability (e.g., coinsurance, copayment, or deductible) for a covered benefit, to credit discounts provided and payments made by a third party for any portion of the cost sharing. Thus, it prohibits copay accumulator programs, under which drug manufacturer coupons and copay assistance generally do not apply toward a covered individual's cost sharing responsibility.

The act applies to each insurer, hospital or medical service corporation, HMO, or fraternal benefit society that delivers, issues, renews, amends, or continues in Connecticut on or after January 1, 2022, individual or group health insurance policies that cover (1) basic hospital expenses; (2) basic medical-surgical expenses; (3) major medical expenses; or (4) hospital or medical services, including those provided under an HMO plan. It also applies to managed care organizations that deliver, issue, renew, amend, or continue contracts in Connecticut on or after January 1, 2022, and pharmacy benefit managers entering into contracts with health carriers on or after that date.

EFFECTIVE DATE: January 1, 2022
