

General Assembly

January Session, 2021

Proposed Bill No. 5714

LCO No. 1759

* 0 1 7 5 9 *

Referred to Committee on PUBLIC HEALTH

Introduced by:

REP. DAUPHINAIS, 44th Dist.

AN ACT REQUIRING A REPORT ON ADVERSE REACTIONS TO IMMUNIZATIONS.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 That the general statutes be amended to require the Department of
2 Public Health to submit an annual report regarding adverse reactions to
3 immunizations, which shall include, but need not be limited to, (1) the
4 total number of adverse reactions reported during the previous calendar
5 year, (2) reported adverse reactions, disaggregated by immunization
6 type, lot number and age of recipient, (3) the total number and cost of
7 emergency department visits related to the reported adverse reactions,
8 (4) the total number of hospitalizations, permanent disabilities and
9 deaths related to the reported adverse reactions, and (5) a summary of
10 activities undertaken by the Department of Public Health to support the
11 state filing for compensation pursuant to the National Childhood
12 Vaccine Injury Act of 1986, 42 USC 300aa-1 et seq. Such report shall be
13 posted on the department's Internet web site and shall be provided to
14 all health care practitioners who administer immunizations in the state.

Statement of Purpose:

To require the Department of Public Health to submit an annual report regarding adverse reactions to immunizations in the state.
