

Hello-

My name is Carlos and I am 11 years old. Four years ago I joined Music Haven, starting in Mr. Patrick's Discovery Orchestra. I've always liked music and joining Music Haven was the right place for me to start exploring. I've learned so much from this program; from music history to pitch. I've made many friends along the way and the teachers are always willing to help me learn. I would have never been able to experience this program if it wasn't for the funds and generosity of government and donor funding. Please reconsider and allow Music Haven to continue teaching students, and change lives, without any cost to their families.

Sincerely,  
Carlos Camacho, age 11
