

To whom it may concern:

Music Haven is one of the LIGHT SOURCES in our community!! My husband and I have had the pleasure of knowing some of the founders and teachers, hearing concerts and following students over the years of its existence.

I am a regular attendee at the MLK Day community gathering. Listening to the kids play and sing "Lift Every Voice and Sing" always brings tears of sadness and Joy to my eyes with these kids representing the Hope for Justice in our Lifetimes.

PLEASE FIND A WAY TO FINANCIALLY BOOST THIS IMPORTANT ORGANIZATION that offers so much to All of US in New Haven.

**THE Inspiration, Confidence and Encouragement that Music Haven** provides to kids is beyond measure. Graduates are supported as they move on in their lives to continue learning, to attend college and to give to others.

PLEASE SUPPORT MUSIC HAVEN FINANCIALLY THIS YEAR AND INTO THE FUTURE.

Thank You!!
