

JAMES SINCLAIR

CT State House of Representatives

Friends:

I am music director of New Haven-based Orchestra New England.

Please right your wrong of overlooking continuance of annual funding for Music Haven (based in New Haven). This priceless organization is key to the advancement of an underserved community. They are fantastic at their jobs and run a highly efficient arts organization. They depend on all of our support, including the State's. Please read Rep. Toni Walker's words on

this: <https://www.newhavenarts.org/arts-paper/articles/arts-army-rallies-to-keep-music-haven-in-state-budget>.
